5. UNDERWRITING INFORMATION

TOTAL VALUE OF MOTOR STOCK:

IN THE OPEN: \$ _____

(Including stock under hail nets and sails)

UNDER COVER: \$ _____

(Deemed to be stock held under cover in buildings)

Total stock value: \$ _____

Stock Held Under Cover of Hail Nets:

Please note that for the purposes of completing this declaration in respect to hail cover, motor vehicles under hail nets do **not** qualify as vehicles/stock held under cover. The logic behind this reasoning is that most hailstorms are driven by wind, and as hail netting does not provide any side protection, damage can still be sustained to the vehicles under netting.

In respect to the hail netting known as sails, these are more for presentation rather than risk management, and as gaps and breaks do appear in them, vehicles under this cover are deemed as exposed.

Vehicles that are held under cover contained in buildings or fixed structures are regarded as vehicles/stock under cover and therefore not necessary to be declared. Vehicles under hail nettings must be declared and coverage will be provided where damage is sustained to vehicles under this netting.
